## April is Fair and Affordable Housing Month in Virginia

April is Fair and Affordable Housing Month in Virginia. In conjunction with this recognition, the Virginia Department of Housing and Community Development (DHCD) is sponsoring a Fair Housing Workshop. This Fair Housing Workshop is open to recipients of Community Development Block Grant (CDBG), IPR and HOME, and all of DHCD's federally-funded housing programs, [e.g. Emergency Shelter Grant (Federal Shelter Grant), Supportive Housing Program, Community Housing Development Organizations (CHDOs), and Housing Opportunities for Persons with Aids (HOPWA)]. The workshops will provide local officials and nonprofit project sponsors with information on fair housing law, how it applies to grant recipients, and to other housing practitioners.

This is the only Fair Housing Workshop being offered through the Project Management Office. This year, we will be presenting one Fair Housing Workshop in Abingdon. Next year, we will hold a Fair Housing Workshop in Richmond. This reflects a change from our past practice of presenting two workshops each year, one Richmond and one in Abingdon.

All recipients of federal funds must perform an annual action to further fair housing. Attendance at our workshop may fulfill your annual responsibility to undertake a fair housing activity, provided this activity **has not been completed for your current grant and the appropriate persons attend.**

Please be aware **if you attended the 2005 Fair Housing Workshop, you must complete a different Fair Housing activity for 2006.** To gain credit for attending this workshop as a CDBG or IPR fair housing activity, grantees or subrecipients must send **two persons** from the locality or housing organization. One person must be an elected member of the governing body or the chief administrative officer, and the other must be active in local government, real estate or banking. Planning District Commission staff members are invited to attend, but **may not be counted as representatives of localities.** You must attend the entire session to receive credit for the workshop.

*Please register early as space is limited.*
